CedarCare
Homes

 **CedarCare Homes** *Believing in the best.*

Location

Located strategically on the border of Bristol and South Gloucestershire local authorities, the home is not only well connected with all major roads such as A38, M32 and M5, but is also within walking distance to local amenities and in a residential setting.

Accommodation

A new, purpose-built 64 bed home

Leisure Rooms

We aim to offer a vibrant and active lifestyle to Residents, with a wide range of amenities for various interests and pursuits; Residents can catch a movie in the home cinema, get a bite at the lounge and bistro or unwind at the library corner. There is also a Barber shop and hairdresser Salon, multipurpose corner store and assisted sensory 'spa experience' bathrooms.

Types of Care

The layout of the home enables provision of different types and levels of care and support.

Ground Floor:

22 bedrooms for residents with rehabilitation, residential and/or dementia needs

First floor:

30 bedrooms for residents with rehabilitation, dementia and/or nursing needs

Second floor:

10 bedrooms for residents with dementia and/or nursing needs

Reception Rooms

Ground floor: restaurant, café/bar. First floor: restaurant, café/bar. Second floor: dining room, lounge, and sunroom with balcony.

Private Bedrooms

60 large (20 square metres or larger) single en-suite bedrooms with shower, 2 large (20 square metres or larger) double en-suite bedrooms with shower.

Gardens

A beautiful garden running along one side of the home and continuing around the back, with sensory gardens, a patio garden, pergolas, and planting platforms. There's also a lovely summer house and tearoom available for residents and their guests.
